Hola Luis,

I wanted to ask for you help in getting a signature on a petition.

Amcal Mosaic Fund LP provided a signature for the last BID recertification back in 2013 but it appears that Drew Sarni who was critical in getting the support behind the BID has moved on.

I contacted the current property administrator Steve Meritt and he informed me that the firm would not be signing the petition for the 2018 recertification drive.

Can it be possible for Councilman Cedillo's office to reach out to him or his Director, Michael McCloud in hopes of perhaps changing their mind about not supporting the recertification drive?

They can be reached at (818) 706-0694 extension 159.

Your help in this matter is greatly appreciated.

Sincerely,

Moises Gomez
